

Quotes From Past Seminars

This was one of the most practical courses in valuation I have attended.

Gayle Bollinger

The group addressed many important details that can be easily overlooked and presented new common sense studies on marketability discounts.

John S. Vardavas

I have been to many classes and spent thousands of dollars. This is the best class that I have taken by far the best value.

... All three of you are excellent instructors. This seminar was packed with useful information.

Frank Pankow

The conference was very useful for me. I plan on going back to my office and trying to find ways to implement the concepts and ideas I learned today. The instructors were very friendly and knowledgeable about the subject.

Christopher Ward

I enjoyed the honest and straightforward presentation. The speakers encouraged questions and I asked many ...

David Clarke

I thought this was a great session, very informative and well organized. All three speakers did an excellent job with the presentation ...

Todd Povlich

I really enjoyed the interaction between the instructors and appraisers. Nothing can replace the benefit of exchange of information and experience. I will make revisions to my report template as a result of attending the course.
